

What is DiSC® Productive Conflict?

Everything DiSC® Productive Conflict features an exploration of DiSC® in a conflict context, provides an opportunity for participants to explore their destructive conflict responses, and offers them a method for making more productive choices in their response to conflict.

Why choose DiSC® Productive Conflict?

This application helps each participant effectively respond to the uncomfortable and unavoidable challenges of workplace conflict by combining the personalized insights of DiSC® with the proven science of cognitive behavioral theory. Rather than focus on a step-by-step process for conflict resolution, participants gain personalized techniques to curb destructive behaviors and effectively respond to conflict situations, so that conflict can become more productive, ultimately improving workplace relationships and results.

Benefits of DiSC® Productive Conflict:

- Deepened understanding of self and others in conflict
- Understand and recognize destructive behaviors
- Explore techniques to redirect destructive behaviors into more productive responses
- Appreciate how their style of handling conflict affects the people around them
- Learn how to “catch” themselves when going down a destructive conflict path
- Learn how to reframe a conflict situation and choose more productive behaviors
- Build a common language in the organization around appropriate conflict behavior

3 Parts:

1. Your DiSC® Style in Conflict
2. Destructive Responses
3. Changing Your Response
